03-Sep-11 00:11 | mswalker8

We have guided reading group guidelines given to us by Dist Office, telling us how often to meet with each level & for how long #daily5

03-Sep-11 00:11 | Komos72

#daily5 i give myself at least 6 weeks before attempting strategy groups. i get stuck into individual conferences first.

03-Sep-11 00:11 | brettelockyer

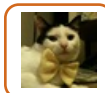

But strategy groups might be more efficient. ? #daily5

03-Sep-11 00:12 | mswalker8

@jmsalsich I agree with that! Individual conferences will be powerful. #daily5

03-Sep-11 00:12 | Komos72

@jmsalsich I find ind. conferences far more powerful than group work as well. #daily5

03-Sep-11 00:12 | maxxakahotdog

@KathrynTrask I'm keeping writing separate for teaching, although kids Work on Writing also during the 'reading' slot #daily5

03-Sep-11 00:12 | judykmck

@KathrynTrask #daily5 My tip: start with your teaching strength, reading or writing, n build on your own successes.

03-Sep-11 00:12 | brettelockyer

@Jacqueline2312 @soingirl The CAFE book helps to make sense of it all #daily5

03-Sep-11 00:13 | judykmck

@jmsalsich #daily5 I agree - individual conferences are foundation of getting to know our kids as readers/writers

03-Sep-11 00:13 | brettelockyer

@judykmck @komos72 we DL guided reading everyday. Two groups daily. At risk readers daily or every other day. #daily5

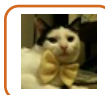

03-Sep-11 00:13 | TechieAng

Like to make sure my #daily5 is up and running before starting strategy groups.

03-Sep-11 00:14 | valruckes

Single largest change from CAFE has been making kids aware of their own learning goals. Referring to them in strat groups is great #daily5

03-Sep-11 00:14 | mr\_mitch\_hughes

#daily5 I wait for 5-6 weeks before doing strategy groups. Individual conference and assess first.

03-Sep-11 00:14 | sahlinvic

@mr\_mitch\_hughes so important to set goals for learning. i'm finding this across the board in all subjects #daily5

03-Sep-11 00:15 | KarynTeaches

#daily5 I can see I have been wanting to over achieve! I am going to have less expectations. #daily5

03-Sep-11 00:15 | KathrynTrask

@mr\_mitch\_hughes I agree they are eager to meet their goal and talk about ownership of their learning #daily5

03-Sep-11 00:16 | mswalker8

#daily5 I have had to do lot of assessing too with running records for school data, so ate up time. #daily5

03-Sep-11 00:16 | KathrynTrask

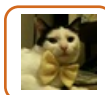

Hmm, listening to all of you makes me think I should stick with individual conferences for a while... then group as needed. #daily5

03-Sep-11 00:16 | Komos72

RT @mr\_mitch\_hughes: ... been making kids aware of their own learning goals. Referring to them in strat groups is great<-grt point #Daily5

03-Sep-11 00:16 | soingirl

I think the settling in time at the start of the year ties nicely with indiv conferences anyway. #daily5

03-Sep-11 00:16 | mr\_mitch\_hughes

Individual conferences certainly help to build your strategy groups #daily5

03-Sep-11 00:16 | valruckes

@mr\_mitch\_hughes Do you have the kids write their goal in a notebook or planner? Or just refer to CAFE chart? #daily5

03-Sep-11 00:16 | jmsalsich

@KathrynTrask I will also have to get benchmarks/running records done at the beginning #Daily5

03-Sep-11 00:17 | soingirl

@judykmck @soingirl #Daily5 Thank you! I just downloaded it to my Kindle from Amazon. (gotta love technology!)

03-Sep-11 00:17 | Jacqueline2312

I started with ind. confer and I don't regret it. It was far more manageable for me. #daily5

03-Sep-11 00:17 | maxxakahotdog

03-Sep-11 00:18 | valruckes

03-Sep-11 00:18 | Komos72

03-Sep-11 00:19 | mswalker8

@jmsalsich Main point of ref for goals is the CAFE chart, but we also write goals start of term and review at end #daily5

03-Sep-11 00:19 | mr\_mitch\_hughes

@judykmck Too funny! I just said the same thing. Bookmarks work great! #daily5

03-Sep-11 00:19 | Komos72

@jmsalsich @mr\_mitch\_hughes Plus their name on a sticky note up on the CAFE menu #daily5

03-Sep-11 00:19 | judykmck

03-Sep-11 00:19 | maxxakahotdog

03-Sep-11 00:24 | mr\_mitch\_hughes

@MrsMorgansClass So true. Just finished 1st 3 days & kids said, really it's time to go home already. #daily5

03-Sep-11 00:24 | maxxakahotdog

#daily5 @Komos72 I love the bookmark idea wig their goal on it. Then it is with them all the time. Do you have a sample?

03-Sep-11 00:24 | sahlinvic

@mr\_mitch\_hughes Uh oh! Why? #daily5

03-Sep-11 00:24 | Komos72

#daily5 Not sure about these numbers. 5 a day feels like pushing kids thru a sausage machine. does rushing help their learning/my thinking?

03-Sep-11 00:25 | brettelockyer

@mr\_mitch\_hughes Gee don't go by me lol, last year was my frst year. That is how I did conferences when I did 4 Blocks too #Daily5

03-Sep-11 00:25 | soingirl

@mr\_mitch\_hughes What have you been doing? #daily5

03-Sep-11 00:25 | judykmck

@ewitt43 you can modify it I do 1.Independent reading 2.comprehension 3 Work station 4.Writing process (word work is done at entry)#daily5

03-Sep-11 00:25 | TechieAng

#daily5 I find I am neglecting other areas of curric. So caught up with daily5. Day flies by. #daily5

03-Sep-11 00:25 | KathrynTrask

@Komos72 start small. Try to do 2 kids per round & judge how that goes. U can always do more. I look at anec. notes ahead which help #daily5

03-Sep-11 00:25 | maxxakahotdog

@ewitt43 #daily5 I'm starting off on Monday with my yr5 group. I'll keep in touch

#daily5 My ongoing question is: who needs help today n how best: some kids learn best in group, others individually, others thru peers.

03-Sep-11 00:27 | brettelockyer

@soingirl @brettelockyer It seems like, if meeting with kids that often, wouldn't need to meet for more than a few minutes. #daily5

03-Sep-11 00:27 | Komos72

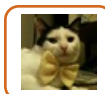

Starting small is such great advice :) No good if we get overwhelmed #Daily5

03-Sep-11 00:27 | soingirl

@MrsMorgansClass Very wise to get behaviours and stamina sorted first #daily5

03-Sep-11 00:28 | judykmck

@judykmck @soingirl I've been doing much fewer, longer conferences. Then can't fit them all in properly. Will try a change next week #daily5

03-Sep-11 00:28 | mr\_mitch\_hughes

And like some others have said, some of my students I meet with daily and some less often. It is definitely about need #Daily5

03-Sep-11 00:28 | soingirl

So, when you meet with individuals or strategy groups, are kids bringing their good fit books or do you provide new texts? #daily5

03-Sep-11 00:28 | Komos72

@soingirl #daily5 yes, isn't that the lovely 'buzz' of daily5 when established n running smoothly - calm, relaxed, independent learners.

03-Sep-11 00:29 | brettelockyer

@mr\_mitch\_hughes @judykmck @soingirl I think it is all about what works for meeting your students' needs :) #Daily5

03-Sep-11 00:29 | soingirl

@Komos72 My kids bring their good fit book, unless I am having to benchmark #Daily5

03-Sep-11 00:29 | soingirl

@mr\_mitch\_hughes @judykmck @soingirl the initial conf. take longer as we try to get to know our students. Will get shorter #daily5

03-Sep-11 00:29 | MrsMorgansClass

@soingirl #daily5 Absolutely! All about need.

03-Sep-11 00:29 | brettelockyer

@brettelockyer @soingirl My kids respond that they can get into their reading because the room is so calm and quiet. #daily5

03-Sep-11 00:30 | MrsMorgansClass

How closely do others follow their calendar appts (re: 2sisters) and share schedule w/ students? This seemed to be crucial... #daily5

03-Sep-11 00:31 | jmsalsich

@TechieAng @ewitt43 U might also want to look at this book <http://t.co/otkpFsl> #daily5

03-Sep-11 00:31 | maxxakahotdog

in conference I want to look at where child is with strategy & decide what scaffold he needs to keep growing #daily5

03-Sep-11 00:31 | valrucket

Question: how long is each conference on average? #daily5

03-Sep-11 00:31 | mswalker8

I still can't really get my head around running a strat. grp when kids have different books, we tend to use a shared text #daily5

03-Sep-11 00:31 | judykmck

@KarynTeaches For choosing a good fit book I go with 99%, but I am asked to Benchmark lvls at 95% #Daily5

03-Sep-11 00:32 | soingirl

@KarynTeaches I've gone with 95% and up as independent, so they'll be able to work through their tricky spots on their own. #daily5

03-Sep-11 00:32 | Komos72

@judykmck for strategy group I intend using shared text I provide. School journal most likely. #daily5

03-Sep-11 00:32 | KathrynTrask

@judykmck I had the SAME issue. Always have. Any solutions? That's why I've stuck with ind. confer. #daily5

03-Sep-11 00:32 | maxxakahotdog

@KarynTeaches You need a sample of around 150 words on a running record to be useful #daily5 #readingrecovery

03-Sep-11 00:32 | judykmck

@judykmck Same with me esp when I have such a small and diverse group #Daily5

03-Sep-11 00:32 | wilson\_lisa

@jmsalsich #daily5. Calendar appointments work better for me when I nominate a week, rather than a day, when I am going to catch up.

03-Sep-11 00:32 | brettelockyer

@soingirl @KarynTeaches Sorry - yes, I go with 95% for benchmarks. Good fit books should be higher. #daily5

03-Sep-11 00:32 | Komos72

@jmsalsich I will say to a student, "Let's meet tomorrow and ....." and I put it on calendar, they keep me to it :) #Daily5

03-Sep-11 00:32 | soingirl

@soingirl @mswalker8 Thanks! That's what I thought. #Daily5

03-Sep-11 00:33 | jmsalsich

@Komos72 @KarynTeaches Too hard is 89% and below, instructional is 90-94%, easy is 96% and up #daily5 #readingrecovery

03-Sep-11 00:34 | judykmck

@soingirl if you can track that video sometime would be great. I belong to site. #daily5

03-Sep-11 00:34 | KathrynTrask

@jmsalsich I rely on my calendar to keep me on track & students see me write their names in & expect me to confer w/them as planned #daily5

I was reviewing my students' end of year fluency from last year - it ranges from 0 wpm to 101wpm! #daily5

03-Sep-11 00:34 | MrsMorgansClass

@judykmck That's the way I learned it, too! #daily5

03-Sep-11 00:34 | Komos72

@judykmck @Komos72 @KarynTeaches Very hard to get 95 % + with preps. What about if they are reading pictures? #Daily5

03-Sep-11 00:35 | wilson\_lisa

@KarynTeaches @Komos72 @soingirl Our benchmarks are assessment, we talk about how to tell if the books they are picking "fit" #Daily5

03-Sep-11 00:35 | soingirl

I would go w/ 97-99% for good fit independent book, 95% and up for guided instructional text. #daily5

@KathrynTrask @soingirl I'll look for it this evening and send you the link if I can find it :) #Daily5

03-Sep-11 00:36 | soingirl

@soingirl @KathrynTrask Thanks. #daily5

03-Sep-11 00:36 | KathrynTrask

at our level have to benchmark for comp. Very time consuming. #daily5

03-Sep-11 00:38 | KathrynTrask

@mr\_mitch\_hughes Our benchmarks have the child also retell the selection and answer some comprehension ?'s at different lvls #Daily5

03-Sep-11 00:38 | soingirl

@KarynTeaches I believe 95% is my dist. expectation #daily5

03-Sep-11 00:38 | ladyhello

@jmsalsich Agreed. #daily5

03-Sep-11 00:40 | KathrynTrask

03-Sep-11 00:42 | KarynTeaches

I take a running record at least once per term, more with some kids. Easy to do during conf, just grab a bit of paper and tick #daily5

03-Sep-11 00:42 | judymck

hey guys just got home from school. Looks like a great convo going on #daily5

03-Sep-11 00:43 | soltauheiler

i'm really focusing on ways to help kids pick good fit books. will do lessons on knowing all the words, etc. #daily5

03-Sep-11 00:43 | KarynTeaches

@judymck We are suppose to RR with preps at least everyfortnight #Daily5

03-Sep-11 00:43 | wilson\_lisa

@MrsMorgansClass Here, the expectations for comprehension jump dramatically in grade 3. Lots of students drop a level #daily5

03-Sep-11 00:43 | jmsalsich

Does everyone have great success w/ Read2self the first few days, then it kind of falls apart, and then comes back together? #daily5

03-Sep-11 00:43 | MrsMorgansClass

03-Sep-11 00:45 | sahlinvic

@mr\_mitch\_hughes @MrsMorgansClass @wilson\_lisa A running record should be on a book they have read, not an unknown text #daily5

03-Sep-11 00:45 | judykmck

@KarynTeaches If a student reads 98% accuracy w/ strong fluency, I think it's safe to call that an independent level #daily5

03-Sep-11 00:45 | corriekelly

@brettelockyer @KarynTeaches Ooh! Great idea. Why didn't I think of that? Talking about good fits during an individual conference! #daily5

03-Sep-11 00:45 | Komos72

When conference reveals that a student is not picking good fit books that's a lesson in itself #daily5

03-Sep-11 00:45 | valruckes

I love how #daily5 I-PICK stresses that a good fit book is a lot more complex than just recognizing the words.

03-Sep-11 00:45 | jmsalsich

@wilson\_lisa #daily5 Our inexperienced readers are attracted to Zac Power n Scooby Doo. Make some readers theatre scripts from them?

03-Sep-11 01:02 | judymck

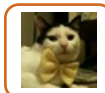

@maxxakahotdog @soingirl @Komos72 I agree; Evernote is accessible everywhere. Confer is only on my iP@d. #daily5

03-Sep-11 01:07 | MrsMorgansClass

@mr\_mitch\_hughes I'm just wondering the same when your tweet popped up:) #daily5

03-Sep-11 01:08 | qldteacher

@mr\_mitch\_hughes @wilson\_lisa No, using seen texts as well as unseen as required. No one else seems to have to take RRs as much #Daily5

03-Sep-11 01:08 | wilson\_lisa

@mr\_mitch\_hughes If seen, then you actually get to see more of the strategies they can use, not just 'barking at text' #daily5

03-Sep-11 01:08 | judykmck

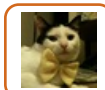

"@brettelockyer: #daily5 <http://t.co/PGnzYzW> My blog post on reading strategy groups. My big question: WHY?" #maccchat

@qldteacher @Komos72 We don't talk lvls either, we set goals based on the CAFE menu #Daily5

03-Sep-11 01:08 | soingirl

@qldteacher serendipity in Twitter chat! #daily5

03-Sep-11 01:09 | mr\_mitch\_hughes

@soingirl oh I didn't know there was a #daily5 chat going on when is the next one?

03-Sep-11 01:09 | csime28

@soingirl I have goals on CAFE menu too but also level goal, may rethink this #Daily5

03-Sep-11 01:09 | qldteacher

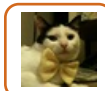

@csime28 Every Friday at 5pm PST 7pm CST #daily5

03-Sep-11 01:10 | soingirl

I would give #Daily5 a try @ewitt43. The students would benefit from authentic reading & writing time.

03-Sep-11 01:10 | ReadSoMuch

@judykmck @mr\_mitch\_hughes I can understand that. It's often the second or third time I read something that it makes full sense. #daily5

03-Sep-11 01:10 | mr\_mitch\_hughes

@judykmck Makes a lot of sense, we are told has to be unseen #daily5

03-Sep-11 01:10 | qldteacher

@qldteacher @judykmck Same for vic teachers. #Daily5

03-Sep-11 01:11 | wilson\_lisa

@soltauheiler younger or lower readers def. use seen text, but once at fluency level (eg 15 up) might give unseen but they .... #daily5

03-Sep-11 01:12 | judykmck

@judykmck that's really interesting- we have been trained benchmarking has to be unseen texts-is this for ALL RR? #daily5

03-Sep-11 01:13 | soltauheiler

@qldteacher @wilson\_lisa exactly!!! very interesting #daily5

03-Sep-11 01:14 | soltauheiler

@mr\_mitch\_hughes what's VIC & QLD? States? #daily5

03-Sep-11 01:14 | soltauheiler

RT @Komos72: RT @brettelockyer: #daily5 <http://t.co/BucgPpa> My blog post on reading strategy groups. My big question: WHY? #daily5

03-Sep-11 01:14 | robinhiltz

RT @qldteacher @wilson\_lisa I'm interested in what NZ teachers do being the home place of Marie Clay < (and #readingrecovery!) #Daily5

03-Sep-11 01:15 | judykmck

@judykmck If I use seen text its going to really change my kids levels, I think. Boost their confidence #daily5

03-Sep-11 01:15 | qldteacher

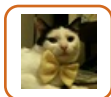

@judykmck @mr\_mitch\_hughes Judy do you use PM Benchamarks or Reading Recovery texts for the running records? #daily5

03-Sep-11 01:15 | morethanreading

@mr\_mitch\_hughes I would need 2 check exact wording on my region assess schedule. Think says RR every 2 weeks for preps & at risk. #Daily5

03-Sep-11 01:15 | wilson\_lisa

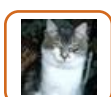

@soltauheiler @mr\_mitch\_hughes Yup, states in Aust. with own government school curriculum and policy #daily5

03-Sep-11 01:16 | mr\_mitch\_hughes

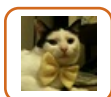

@mr\_mitch\_hughes Hopefully Nat Curriculum soon! #daily5

03-Sep-11 01:16 | qldteacher

@soltauheiler @mr\_mitch\_hughes #Daily5

03-Sep-11 01:17 | wilson\_lisa

@qldteacher @mr\_mitch\_hughes Nat curriculum would help ... everyone seems to want to keep the backdoor well open though #daily5

03-Sep-11 01:17 | mr\_mitch\_hughes

@morethanreading In class I just take RR on whatever book they are reading as long as I have a fair idea of level of the book #daily5

03-Sep-11 01:18 | judykmck

@morethanreading @judykmck @mr\_mitch\_hughes We have to use set dept books in Feb & Nov. Other times not a set text. #Daily5

03-Sep-11 01:18 | wilson\_lisa

@judykmck What about the comp questions? #daily5
